SHIPPING TO US

FOLLOW THE DIRECTIONS ON THE NEXT PAGE FOR SAFELY WRAPPING AND PACKAGING YOUR ITEMS FOR SHIPPING.

ADDRESS YOUR PACKAGE TO THE FOLLOWING ADDRESS:

**BLUE RIDGE SHARPENING
7819 AFTON LANE
WILLOW SPRING, NC 27592-9427**

DO NOT USE A PADDED ENVELOPE!

Do not include knife blocks or personal items (towels, etc.).

Thoroughly wash/clean and dry knives before wrapping and packaging to prevent rusting.

Planer blades: remove blade from the body. **Do NOT send the plane body.**

ITEMS YOU WILL NEED:

- 1 - Old newspapers, or light cardboard like a cereal box, or poster board.
- 2 - Masking tape, blue painter's tape (or your favorite color painter's tape!), or packing tape.
- 3 - Additional packing material (crumpled newspaper, shredded paper, bubble wrap, or packing peanuts).
- 4 - A sturdy cardboard shipping box, large enough to hold the item(s) you are shipping as well as the additional packing material.
- 5 - A shipping label addressed to Blue Ridge Sharpening (see below for address information).
- 6 - Strong packing tape to seal the box after packaging.

PACKAGING INSTRUCTIONS

- Individually wrap each item so they cannot rub against one another or poke through the outer box during shipping. Ensure the edge of the blade is completely covered, using either newspaper, cardboard or poster board. **DO NOT PUT TAPE DIRECTLY ON THE BLADE!**
- Cover the blade portion of the item(s) completely. Be sure the blade tip/point and cutting edge is safely covered. You do not need to wrap the handle. However, be sure the wrapping cannot slip off the blade.
- Secure the wrapping to the item using tape. You may "bundle" the individually wrapped item(s) together in one larger bundle with tape to further prevent shifting while in transit.
- Place all the item(s) in a sturdy cardboard box that will easily fit the item(s).
- ***Place the completed Service Mail-In Form inside the package.***
- Add sufficient additional packing materials (bubblewrap, crumpled newspapers, packing peanuts, etc.) so you cannot hear or feel the item(s) shift in the package when closed and shaken vigorously.
- Securely tape the box closed with strong tape and attach the shipping label addressed to:

**BLUE RIDGE SHARPENING
7819 AFTON LANE
WILLOW SPRING, NC 27592-9427**

- Ask your preferred mailing/shipping service to provide you with a tracking number for your package. You may also protect your item(s) by adding shipping insurance.

IMPORTANT: Blue Ridge Sharpening is NOT liable for lost shipments.
